SBO+ / TEACHING SHEET

Let the Click Disappear

Keep Time Through the Silence

Original editorial study | artistpro Media

Choose

Passage / meter / beat unit / starting tempo / number of measures.

Attempt 1

Click on every beat. Record the first place the group moves ahead or behind.

Attempt 2

Keep the same tempo but remove one source of support: fewer clicks, a muted measure, or no spoken count.

Attempt 3

Return to the original setting. Describe whether the entrance changed.

Student reflection

Name one place where you must continue the beat silently and one way you will prepare the next entrance.
