SBO+ / TEACHING SHEET

Buy the Sound Your Lesson Needs

A classroom-percussion selection guide that starts with musical jobs, then considers fit, storage, and care.

Musical job

Pulse / pattern / accent / sustained color / pitched line. Describe the intended activity.

Try it

Player position / grip or support / stroke / stopping action / dynamic control.

Complete setup

Instrument / appropriate beaters / stand or support / case / required pitch range.

Keep it usable

Storage measurements / transport / maker-approved care / replacement parts and contact.

Decision

Record observed advantages and limitations for this lesson. Leave untested features marked untested rather than guessing.
